Howdy neighbors!

Welcome to the GO TEXAN Christmas Gift Guide! As you browse this special edition you will find the best Texas made products – from BBQ sauce to beauty and everything in between. In true holiday spirit, some GO TEXAN members give back to charitable organizations through purchasing their product.

With the holiday season upon us, GO TEXAN reflects upon the past year and on those who have helped shape this program in a Texas sized way. We value the relationships made through GO TEXAN and look forward to the coming years. Our thoughts turn gratefully to the members who made this gift guide possible, and hope you will find amazing Texas gifts for everyone on your list.

We wish you a Merry Christmas and Happy New Year from myself and GO TEXAN!

# GIFTING THE BEST IN TEXAS

## KEEP THE MARGARITA LOSE THE "JUNK"

For a margarita that's the "real deal," add **Barbecue Wife** Margarita Mix. "Junk Free," it uses real, not concentrated lime juice blended with Texas Hill Country filtered water, and local Texas honey that's hand smoked until it's mellowed for natural, organic sweetness. It's a true taste of all things Texas in every sip.

## TASTE LIKE SUMMER!

**Bellville Meat Market** Summer Sausages were created more than 39 years ago by Danny Poffenberger to satisfy his family's snack cravings. Today, the second generation of Poffenbergers carry on the family business, and they still craft the savory sausage using only lean pork and beef for uncompromising taste. Available in original and jalapeño cheese flavors, it's a summer sausage that's delicious all year long.

## DYNAMITE FLAVOR COMES IN SMALL PACKAGES

Straight out of Montgomery, Texas, **Big Little Fudge** makes more than a dozen different flavors of delectable fudge, loaded with everything from cranberries and cherries to pecans and coconut. Explore Texas-sized crunchy, nutty, chunky goodness at select H-E-B stores.

## SAVE ROOM FOR SALSA...

...because we found 3 flavors to savor! Go gourmet with **Bernard's Gourmet Foods** Roasted Salsas. Chef developed for cooking, they are available in a tangy Tomatillo Poblano, a smoky Tomato Chipotle, and a sweet and spicy Mango. Delicious!
