Eligibility

**GO TEXAN Partnership:**
Eligible applicants are current GO TEXAN Program Tier 2, 3, or Champion partners in good standing. For purposes of eligibility for GTP grants, “good standing” means that at the time of the MEGA-GTP grant application submission deadline, the applicant’s GO TEXAN registration is in full compliance with all of the provisions of the GO TEXAN Program (i.e., the applicant’s GO TEXAN registration has been approved by TDA and is not currently suspended or terminated, all registration fees have been paid, and the registrant’s account has no outstanding issues). Please note: an application for GO TEXAN registration takes 2-3 weeks to process and upgrades cannot be performed online. For questions or to check on GO TEXAN partnership status, please contact (877) 99-GOTEX or gotexan@TexasAgriculture.gov. NO EXCEPTIONS WILL BE MADE.

Only GTP grant applications submitted by applicants physically located in Texas or that have a principal place of business in Texas shall be funded. An eligible applicant must be a current participant in the GO TEXAN Program at a Tier 2, 3, or Champion level in good standing and fall within at least one of the following categories:

1. a state or regional organization or board that promotes the marketing and sale of Texas agricultural products and does not stand to profit directly from specific sales of agricultural commodities;

2. a cooperative organization, consisting of a group of five or more individuals who produce or
market agricultural products in the state and associate to achieve common goals by registering with the Office of the Texas Secretary of State;

(3) a state agency or board that promotes the marketing and sale of agricultural commodities;

(4) a national organization or board that represents Texas producers and promotes the marketing and sale of Texas agricultural products;

(5) a small business - a legal agricultural entity, including a corporation, partnership, or sole proprietorship that:
   (A) is formed for the purpose of making a profit; and
   (B) has fewer than 50 full-time employees, or less than $1 million in annual gross receipts;

(6) any other entity or business, other than a business meeting the definition of “small business” above, that promotes the marketing and sale of Texas agricultural products; or

(7) a retailer or distributor, if -
   (A) 70% of their agricultural products are sourced from Texas;
   (B) 70% of their products are sourced from GO TEXAN partners; or
   (C) 70% of their participating businesses, companies, or partners and/or vendors are GO TEXAN partners, other than associate or retail members.

"Texas agricultural product" means an agricultural product, either in its natural or processed state, that has been produced, processed, or otherwise had value added to the product in Texas.

Selected applicants must maintain a GO TEXAN Tier 2 or higher certification throughout the term of the GTP grant agreement.

An applicant that has a family, employment or business relationship with an executive, officer or employee of TDA is not eligible for a grant and may not seek or participate in a GTP grant under the MEGA Program. A family relationship is defined as a relationship within the third degree of consanguinity or second degree of affinity as outlined in Chapter 573 of the Texas Government Code.

**Grantee Responsibilities and Accountability**

Selected applicants (grant recipient), if any, will be responsible for the conduct of the project supported by GTP grants and for the results achieved. Each grant recipient shall monitor the day-to-day performance of the grant project to assure adherence to statutes, regulations, and grant terms and conditions. The grant recipient must carry out the activities described in the approved scope of work.

The grant recipient will be accountable for documenting the use of grant funds and must ensure funds are used solely for authorized purposes. The grant recipient must ensure:

Each grant recipient must ensure it has an adequate accounting system in place and sufficient internal controls to ensure expenditures and reimbursements are reported and maintained for four (4) years after the conclusion of the project, or longer if required by TDA.

**Funding Parameters**

Selected grant projects, if any, under this RFGA will receive funding on a cost-reimbursement basis. Funds will not be given in advance to grant recipient. Grant recipient must have the financial capacity to pay for all project costs up front.

Grant awards, if any, are subject to the availability of funds. If no funds are appropriated or collected for this purpose, applicants will be informed accordingly.
Applicants may request up to $40,000 (see below) in GTP grant funding for activities for marketing or promoting the sale of Texas agricultural products, including those that have been produced, processed, or otherwise had value added to the product in Texas. If a GO TEXAN Partner previously received and accepted an award or awards under the MEGA program totaling $40,000, it is ineligible to receive another MEGA GTP grant for seven (7) years from the date of the last award. (As demand for this program changes and subject to availability of funds, this timeframe will be re-evaluated by TDA.)

- Example 1: GO TEXAN Partners that received a MEGA21 grant between August 15, 2021 and August 31, 2022, totaling $20,000 may only apply for up to $20,000.
- Example 2: GO TEXAN Partners that received a MEGA21 grant between August 15, 2021 and August 31, 2022 totaling less than $20,000 may only apply for the difference between their MEGA21 award and $40,000. (MEGA21 awarded $9,000 to a GO TEXAN partner, it may apply for up to $31,000.)
- Example 3: GO TEXAN Partners who did not receive a grant under MEGA21, may apply up to $40,000.

Applications and associated budgets will be reviewed in the competitive evaluation process.

**Term of Funding or Duration of Projects**

TDA anticipates that a Notice of Grant Award (NGA) will be made in August 2022, or as soon thereafter as practical. All approved grant projects will have an anticipated grant term of August 15, 2022, to August 31, 2023.
