Cilantro Grilled Chicken Wrap

Grilled chicken
 Romaine lettuce
 Sliced tomato
 Monterrey Jack cheese
 Tomato basil tortilla wrap
 Cilantro Sour Cream Sauce (recipe below)

Directions:

Spread a generous helping of cilantro sauce on your tomato basil wrap, then starting about one inch from one side spread the rest of the ingredients across in a straight line (romaine, sliced tomato, grilled chicken and cheese). Leave approximately an inch on the other side. Fold up the wrap "burrito style," bringing in the sides and roll tightly. You will get a better roll with a room temperature wrap. Grill the wrap on either an open countertop grill with a brick press or use a Panini grill. Serve with your favorite side.
